VIII. TEACHING AIDS

101. *The Quest for Contact*, Astronomical Society of the Pacific videotape VT 100 (VHS, 32 min. color, 1987). Explanation of the search

for extraterrestrial intelligence at the college entrance level prepared by the NASA SETI Office.

ACKNOWLEDGMENTS

We thank the following colleagues for their helpful suggestions and comments: M. Klein, T. R. McDonough, W. I. McLaughlin, M. D. Papagiannis, J. Tarter, and J. Wolfe. We also gratefully acknowledge the thoughtful criticisms by the referees: A. A. Bartlett, F. J. Dyson, and W. T. Sullivan. This work was conducted as a private venture by the authors, as a by-product of a book being prepared on the same subject. One of the authors (TBHK) gratefully acknowledges permission from the Jet Propulsion Laboratory to use its research facilities for this enterprise.
